

200 Years – 200 Women

In celebration of Bath's bicentennial year, a group of local women recently launched the *200 Years – 200 Women campaign*. Their goal is to raise \$250,000 for Bath Community Fund by encouraging area residents to donate \$1,000 or more in honor or memory of a special woman in their life. This is a wonderful opportunity where:

- Husbands can honor their wife
- Siblings can pay tribute to their mom, grandmother or aunt
- Fathers can recognize their daughter
- Ladies can celebrate their dear friend or mentor
- Neighborhood groups and worship circles can commend a notable woman

Your gift will enrich the Bath community for current and future generations – a fitting tribute to a woman who has made a lasting difference in your own life. The woman you honor will receive a card informing her of your gift, and you will receive a special pin in recognition of your support of this historic campaign.
